REMOTE GUARDING SERVICES LTD also ensure that its workforce is screened to BS 7858 We are committed to quality management in all aspects of the business. The purpose of this manual is to present the organization's Quality Management system to all personnel, giving guidance essential for the effective application of Quality Control. The contents serve as a basic reference to policies, processes, and procedures, together with work instructions (where necessary) outlining the activities and responsibilities, which a person holding a company appointment is expected to undertake as a normal part of his/her duties.

The Managing Director shall determine the criteria and methods to ensure that both the operation and control of the processes are effective. It is the responsibility of the Managing Director to ensure the availability of resources and information necessary to support the operation and monitoring of the processes. REMOTE GUARDING SERVICES LTD Quality policy is a framework for its management system quality objective. The organization shall monitor, measure and analyze the processes, ensuring that actions are implemented to achieve planned results and to continually improve their effectiveness.

Our organizational goals are to ensure that the changes required within our documented management system will meet the requirements of BS EN ISO 9001:2015, written to all Standards, Codes of Practice and Schedules as required by ACOPS and regs, which are performed in a managed methodical way to ensure that the system is fully understood and implemented throughout REMOTE GUARDING SERVICES LTD. REMOTE GUARDING SERVICES LTD will make this Policy available to all stakeholders, shareholders, staff and general public on request.

The Managing Director fully supports and has approved this Quality Policy Statement.
